

For What It's Worth - by Buffalo Springfield · 1966

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
A-telling me I got to beware

**I think it's time we stop
Children, what's that sound?
Everybody look what's going down**

There's battle lines being drawn
Nobody's right if everybody's wrong
Young people speaking their minds
Are getting so much resistance from behind

**Time we stop
Hey, what's that sound?
Everybody look what's going down**

What a field-day for the heat
A thousand people in the street
Singing songs and a-carrying signs
Mostly say hooray for our side

**It's time we stop
Hey, what's that sound?
Everybody look what's going down**

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line, the man come and take you away

**We better stop
Hey, what's that sound?
Everybody look what's going down**

**We better stop
Hey, what's that sound?
Everybody look what's going down**

We better stop now

**What's that sound?
Everybody look what's going down**

**We better stop
Children, what's that sound?
Everybody look what's going down**
